vocal
working with carers

Do you . . .

Provide unpaid help and support to a family member, child, partner, relative or friend, who could not manage without you?

This could be due to age, a long-term condition, disability, physical or mental health condition or addiction.

VOCAL supports carers in all family or relationship settings, be they defined by kinship, partnership, friendship, affection or obligation.

How can VOCAL help?

We provide:

- individual support
- training and groupwork
- emotional support
- counselling

Carer support

Find out about your rights, benefit entitlements and support services. We offer free, one-to-one support, regular surgeries and support in planning for the future.

Training & groupwork

Increase your confidence, become better informed and improve stress levels by attending a course or seminar. Topics include telecare, falls prevention, continence management, money matters and medical conditions.

Groupwork offers emotional support and deals with changing relationships, stress management, dealing with guilt and coping with bereavement.

Counselling

VOCAL's COSCA recognised counselling service is open to carers requiring emotional support. Financial contributions are agreed at a level to suit your individual circumstances.

Family support addictions

Supporting family members and friends affected by someone else's addiction, this service provides one-to-one and group support, as well as short training courses.

How we use the information in this form:

The information provided in this form will be stored on VOCAL's secure systems. We will use it to let you know about carer events, training and other relevant support by post, email, SMS or telephone. We will not share any personal information with a third party unless required to do so or with your consent. Information is regularly checked to ensure it is accurate and up to date and you can ask to amend, view or remove your personal data by contacting us. (detail overleaf)

We would also like to send you occasional information by email about fundraising events and other VOCAL activities.
